

AED Grants Program- Targeted Community Organisations

Form Preview

South Australian Automated External Defibrillator (AED) Grant Program (AED Grants Program)

* indicates a required field

What is the AED Grants program?

The South Australian Government is improving access to [Automated External Defibrillators \(AEDs\)](#) across the state by making them mandatory in certain buildings, facilities and vehicles through the *Automated External Defibrillators (Public Access) Act 2022* (the Act).

Under the Act, it is the responsibility of the building/facility owner to ensure compliance by 1 January 2026. To support this, Preventive Health SA is offering targeted grant funding to identified Aboriginal and Community Organisations which may have multiple buildings/facilities requiring an AED. Eligible organisations can apply for grants of \$1,000 per building to assist with the purchase and installation of AEDs.

Eligibility Criteria

Organisations eligible in this funding round are targeted Aboriginal and Community Organisations invited to apply by Preventive Health SA.

- Organisations must:
 - provide their Australian Business Number (ABN)
 - provide a certificate of currency demonstrating public liability insurance with a minimum of \$1 million per claim
 - be a not-for-profit club, association or organisation that is sport or community related
- Eligible buildings/facilities must:
 - be predominantly used for community and/or sporting purposes located in South Australia
 - have a unique address or be located some distance apart. Facilities with multiple buildings are eligible for a single grant only.

Key dates

1 November 2024

Applications Open

Organisation Details

* indicates a required field

Organisations can submit a grant application for sporting or community buildings/facilities in multiple locations.

Each building/facility must have a unique address or be located some distance apart.

- Facilities with multiple buildings in close proximity, such as those at the same address (e.g. clubrooms and storage facilities), are eligible for one grant only.
- For locations spanning a large geographical area without an address, each site should be defined by name, purpose and an estimated distance to the nearest existing AED or next closest location requiring an AED.

Does the organisation own all of the buildings/facilities you are requesting grant funding for? *

Yes

No

If you currently lease your building, has the applying organisation discussed installation and ongoing maintenance requirements with the owner of the building/facility?

Yes

No

Not applicable

Are all of the buildings/facilities predominantly used for sporting or community purposes? *

Yes

No

Buildings used for health, permanent residential or education purposes are excluded.
